**Food Chain Information For Cattle Consigned For Slaughter For Human Consumption Declaration:**

I.....Signed:.....Date:.....

*(Full name of keeper / owner of animals to be moved)*

Declare:  
 \*Cattle on the holding are not under movement restrictions for other animal disease or public health reasons (excluding a 6-day standstill)  
 \*Withdrawal periods have been observed for all veterinary medicines and other treatments administered to the animals while on this holding and previous holdings.  
 \*To the best of my knowledge the animals are not showing signs of any disease or condition that may affect the safety of meat derived from them.  
 \*No analysis of samples taken from animals on the holding or other samples has been show that the animals in this consignment may have been exposed to any disease or condition that may affect the safety of meat or to substances likely to result in residues in meat.  
 If the animals do not fulfil all the above statements, tick this box  and provide additional information overleaf.

It is written in the law, that it is the responsibility of all vendors to ensure that all cattle are correctly tagged, displaying legible tags.
